THE ALUMNI OF SAINT JOSEPH'S COLLEGE FOR

VOL. 18 — No. 7

Collegeville, Indiana

April 1956

Have YOU Mailed YOUR Alumni Contribution?

- Q. Why is percentage of participation so important?
- A. Because it reflects what alumni think of the education they received from their college. This is a critical factor in seeking substantial contributions from friends, business and industry.
- Q. How did our first alumni fund measure up?
- Fine. Our first year participation of 23% of the alumni is good.
- Q. What was our total?
- A. \$14,196.47.
- Q. What was our average gift?
- A. \$19.40.
- Q. What are the main channels of expense the college has?
- A. Capital expenses and operating expenses.
- Q. What is capital expense?
- A. It is the expense involved in the construction of new buildings or additions to permanent facilities. It involves a very substantial amount of money.
- Q. What is operating expense?
- A. It is the expense involved in keeping the college going. Operating expense includes items such as administration, instruction, utilities and maintenance. Operating expense also involves substantial amounts and is repeated from day to day and year to year.
- Q. How much tuition does a full-time student pay at Saint Joe?
- A. \$430.00 per year. \$215.00 per semester.
- What was just the purely educational expense (professors, library, labs., etc.) at Saint Joe last year per student?
- About \$850.00 per student per school year.
- Do all students at Soint Joe pay their full educational cost?
- No! All students automatically get an annual \$420.00 scholarship. All students enjoy the "hidden scholarship" reflected in the difference between what they pay in tuition (\$430.00) and what their education actually costs (\$850.00).
- Q. How is the difference between tuition income and total operating expense made up?
- By student fees, by "auxiliary enterprises" such as the Book Store, the Cafeteria, by the personal (and substantial) endowment contributed each year by the Society of the Precious Blood; by "miscellaneous income" items, and very important, by gifts from benefactors, and the Association of Colleges of Indiana.
- Q. Would an increase in the Tuition Fee help?
- A. In the past few years tuition has gone up twice; it is the present feeling of the College administration to mark time before another increase is made.
- Are small gifts important?
- A. Yes, small gifts are very important. The major goal of the Alumni Fund is men—St. Joe men—each making the gift he can afford each year to the College. Each gift, large or small, makes a step toward our goal.
- Q. Will alumni also be asked to pay dues?
- No. Your contribution to the Annual Alumni Fund serves as your membership. You will not be asked to pay dues.

HAVE YOU MAILED YOUR ALUMNI CONTRIBUTION?

Dick Scharf to Study Fr. Kostka Named At Indiana University

Dick Scharf, '38, who will study for his Ph.D. degree next fall at Indiana University, is the first SJC faculty member to be granted a sabbatical leave of absence.

Although provisions for sabbatical leaves of one year are in the faculty handbooks of most colleges and universities, most schools use them but rarely. Traditionally, college teachers may be eligible for a sabbatical leave each seven years, on partial pay, for the purpose of study or other professional advancement.

Mr. Scharf, associate professor of physical education and former St. Joseph's coach, will do his doctoral work in Health and Safety. Except for his dissertation, he expects to complete the requirements for the degree dur-ing his year's leave.

Mrs. Scharf and their three children will remain in Rensselaer.

Chaplain of College

Fr. Leonard Kostka, '35, assistant professor of Religion, has been named chaplain of St. Joseph's College and religious superior of the priests and brothers on the campus. The announcement was made recently by Fr. Seraphin Oberhauser, Provincial. Fr. Kostka relieves Fr. Charles

Herber, '24, who had served in the position since 1948.

A native of Detroit, Fr. Kostka cntered the Community in 1931 and was ordained Sept. 8, 1940. Following two years at Catholic University of America, where he was awarded the J.C.L. degree, he served with the Messenger Press in Carthagena and as assistant pastor in parishes in Detroit and Centerville, Iowa.

Fr. Kostka was a Navy chaplain for two years during World War II. He has taught Religion at St. Joseph's since 1948.

By May 31

On the back page of this issue is an official ballot, to be used in the election of national officers for the St. Joseph's Alumni Association. To be counted, it must be mailed no later than May 31.

Candidates listed on the ballot were named by the Nominating Committee, but spaces are included for write-in candidates in each office. In the hope of securing more continuity in the Board of Directors, the Committee has initiated a new system in nominating, by which incumbents are moved up from second vice-president to first vice-president, to president. The offices of secretarytreasurer and field secretary are appointive.

The slated candidate for president is Thomas Brier, '47, who is now serving as first vice-president. Brier, who is a territory sales representative for General Foods Corp., lives with his wife and one child at 1059 N. Sullivan

Outgoing president is Richard E. Cody, '41, who has served in the office for a one-year term. Cody, a World War II veteran, is a claims representative for the Hartford Accident and Indemnity Company in Louisville, Ky., where his office is at 310 W. Liberty.

James Stang, '50, the present second vice-president, is the candidate for first vice-president. He works for the Herb Brown Realty Co., in Dayton, Ohio. The father of four children, his home is at 41 S. Sperling.

The Committee's nomination for second vice-president is George McGuan, '48, of 126 N. Griffith Blvd., Griffith, Ind. McGuan, who is currently serving as president of the Gary chapter, is a partner in the law firm of McGuan and Jolly, in Griffith. He and Mrs. McGuan have three children.

Alumni Ballots Record-Breaking Attendance Seen Must Be Mailed For Alumni Communion Breakfast

Because of better weather expectancy and because of the growing interest in St. Joseph's annual Alumni Communion Breakfast, a record-breaking turnout is expected this year on April 29. Last year a total of 714 attended; the event was held on March 20.

The Breakfast this year will be held in 17 centers throughout the Midwest. In one of these, Louisville, because of unavoidable scheduling problems the Breakfast is to be held a week early, on April 22.

The April 29 date was chosen this year for two reasons. First, the Church is putting great emphasis on the new feast day of

Breakfast Pictures To Be Used in May

CONTACT will want lots of pictures of Communion Breakfast groups for use in the May issue—at least one from every center, if possible!

They should be glossy prints,

preferrably larger than snapshot size. The most interesting pictures will usually be unposed, candid shots of people as they really are at the Breakfasts; but any kind will do if they clearly show the people. Posed shots should include indentification-others, too, when practicable.

Photographs should be mailed promptly to. CONTACT, St. Joseph's College, Collegeville.

Chicago Chapter Plans Golf Outing

A meeting of the Chicago chapter was held the evening of April 6, at the Union League Hall. Thirty-five members were present.

Plans were discussed for the Communion Breakfast, of which George Byerwalter, '50, is in charge. Tentative plans for a golf outing this summer were also discussed, and Ed O'Reilly, '42, was named chairman of a committee to plan a golf tournament.

Fr. John Lefko and Hugh McAvoy attended the meeting from Collegeville.

"St. Joseph the Worker," to be celebrated on May 1 each year. It is therefore considered fitting that alumni of St. Joseph's College should honor their patron as near that date as possible.

A second reason is the prospect for better weather than in March. Detailed information concerning

the Breakfast in several of the 17 centers is not yet available at Collegeville. Those listed below are definitely planning the event, however, and in all cases individual notices are being sent out, either locally or from the Alumni Office. Each center will draw from many other towns in its

RANDALL E. DECKER, Editor

We Hear

from TUCSON, Arizona

..... Your announcement of Alma Mater planning special honors for our Jubilarian class of 1906 rejoices my heart and elicits renewed gratitude for all her blessings and inestimable gifts.

I am truly sorry that I cannot be corporally present May 1. I assure you, however, that I am with you in spirit. Kindly extend my devoted congratulations to my classmates and assurance of continued future prayers for a speedy reunion in the Kingdom of our Father.

Yours, (Fr.) C. A. Freriks, C.PP.S., ('06) Immaculate Heart Academy 6th and 15th St. * * * * *

from DECATUR, Illinois

.... We have been receiving CONTACT since Bob (Robert Daley, '56) has been in military service and have forwarded some of them to him. I thought you might like to have his address (see Under the Colors) and something of his activities since leaving St. Joe's.

He attended Millikin University here in Decatur the following year and then was inducted into the Army in Aug. 1954. He took basic training at Camp Chaffee, Ark., and was married in Nov. 1954. He has been in Germany since the first of April 1955. He played football and basketball on the 4th Division Artillery teams this past fall and winter and is trying out for the baseball team at the present time. He hopes to be home and discharged in time to enter school this fall. He intends to major in P. E. and take up coaching.

Very truly yours, Thomas J. Daley 22 West Drive

from JACKSONVILLE, North Carolina To say the least, things have certainly changed and developed since my graduation last spring. I would like to take this opportunity (letter to Fr. Cletus Dirksen) to bring

matters up to date for you.

In reality, it has only been since I came to active duty with the Marines that St. Joe's value to me has been brought clearly to my mind. Marie and I have, of course, encountered people from throughout the country, people with all types of backgrounds and educations. Believe me, Father, we from St. Joseph's have to take a backseat to no one. In my own instance, I have enjoyed particularly calling upon many of your teachings and ideas which naturally rubbed off on me, plus a few notions of my own, in the discussions and semidebates which are so numerous down here. As you probably might suspect, no field could have benefited me more than Political Science. It seems that down here the old saying that all conversation inevitably boils down to "sex, religion or politics" just does not hold true. There is surprisingly little religious debate, or religion for that matter. Sex is out as a topic, probably because most of our group are married. So it is only natural, with the world situation as it is, that I have to be on my political toes. Thanks very much for a terrific foundation.

Marie, as you may or may not know, is exceedingly pregnant, more so each day. Our future Puma is expected sometime during May, but already the Garvey household (Continued on Page Four)

Bernard E. Qubeck To Join Music Faculty

Bernard E. Qubeck, who is now vocal music director and assistant band and orchestra director at Whiting High School, Whiting, Ind., will join the music faculty of St. Joseph's College at the beginning of the next fall term. Announcement was made by Fr. Raphael Gross, 'president.

Mr. Qubeck will have charge of the St. Joseph's band, as well as giving individual voice lessons and performing other duties in the Music Department.

As band director he succeeds Fr. Clement J. Kuhns, who has filled the post as an auxiliary duty since 1952. Fr. Kuhns will devote his full time to the teaching of Latin and Greek.

Mr. Qubeck, whose undergraduate and graduate study was done at Roosevelt University in Chi-

cago, has been a member of the Whiting faculty since 1950. During this period he has also given individual instructions for the Highland Christian School Band, Highland, Ind.

During World War II he was a member of various Army bands and instrumental groups, and in 1945-46, he served as an instructor for the United States Armed Forces Institute at McCloskey General Hospital, Temple, Texas.

For many years he has been a favorite guest artist on stage and radio in Chicago and northern Indiana. He has been an artist member of the United States Opera Company in Chicago, and has participated in the American Federation of Musicians' summer concert series in the Calumet area. Mr. Qubeck has also studied and performed under the direction of Newell Terrent in the Pasadena Play House, California.

The Qubeck family, which includes eight children, expect to make their home in Rensselaer.

Latest Holland Birth In Family Tradition

The birth of Maureen Ann Holland to Mr. and Mrs. Len Holland ('51), on March 31, 1956, Holy Saturday, upholds a firm tradition in the Holland household...

These are the four Holland children: Sharon Mae and Karen Ellen, the twins, born April 3, 1953, which was Good Friday; Patricia Clare, born April 18, 1954, which was Easter Sunday; and now, Maureen Ann, the Holy Saturday baby!

Phil Stahl, '52, who was married Feb. 11 to Miss Jackie Freers of Indianapolis, is now living at 4613 Bertrand Ave., in that city . . . We've had a recent report on several of the Cooneys, of Woodstock, Ill., and it sounds like they're gradually taking over that town. James H. Cooney, '40, is mayor; Tom Cooney, '45, whose main occupation was not learned, is a Grand Knight of the Knights of Columbus; Leo Cooney, '46, has just become associated with the Schneider-Leucht Funeral Home; and we believe that Herbert Cooney, '03, is still an executive of the State Bank of Woodstock . . . Fr. John Lefko, '32, is booked for two off-campus talks this month-on April 18, to the Lions Club in East Chicago, on the subject, "Can You Afford to Send Your Children to College?" and April 22 to the Catholic nurses of the Lafayette dioeese, in Lafayette, on the subject, "The Catholic Nurse in Modern Living." . . . Joe Kennedy, '40, who is the Omaha (Neb.) branch manager of Omar, Inc., is living at 2119 S. 49th Ave., in Omaha . . . Dr. Carl J. Heitz, '40, is practicing in Delphos, Ohio, where he and his wife and four children live at 447 E. Cleveland . . . Fr. Edwin Kaiser, '15, is to be a featured speaker April 25 at a Spiritual Emphasis Convocation at Vincennes University . . . Henry Kosalko, '41, is attendance officer of Whiting (Ind.) City Schools. His home is at 1826 Pennsylvania Ave. . . . Dan Goldcamp, '42, who received his LL.B. degree from Gorgetown University Law School in 1949, is now claims manager in the metropolitan New York area for the Government Employees Insurance Company. The Goldcamp family, which includes two children, are living at 38 McKinley St., in Rowayton, Conn. . . . Joe Reinman, '43, is an electrical engineer at the Detroit Arsenal. Mr. and Mrs. Reinman and their three children live at 21140 Woodmont in Harper Woods, Mich. John Reedy, '49, whose home is at 1100 Bethel in Muncie, Ind., is a salesman for the Metals Division of Ball Brothers Co. The Reedys have three children . . . Frs. Joseph Otte and Urban Siegrist are back on campus, following their respective bouts with the surgeons. Both seem to be feeling pretty well-but hardly ready for full-scale action . . . The editor goofed like erazy over the "old-timer" pictures in last issue. The band and barber shop photos, it seems, are considerably pre-1930.

Faculty Scores First Win Over Monogram Club

The annual faculty-Monogram Club basketball game March 22 officially closed this year's basketball season in a wild and hectic fashion as the faculty won their first game of the long-running series, 43-42.

engineer and butcher at Collegeville for 16 years, starting at the turn of the century. He since has been stationed at St. Mary's novitiate in Burkettsville.

Bro. Robert, who is now 73, was born in New Riegel, Ohio, but lived in Decatur as a youth. Duties at the society's centers in Ohio have included those of gardener, organist, infirmarian, mail carrier, meat carving supervisor and orchard produce processor. He has lived in retirement at Carthagena since 1953.

Bro. William, "the Society's troubadour" for 35 years, was on the road for The Precious Blood Messenger. In earlier days he travelled his route via motorcycle, covering over 15,000 miles in that manner. Also 73, he continues to travel for the publication, but is equally at home in a chef's or a printer's apron.

SJ Meets Purdue

By DICK BODNEY, '58

April 12-St. Joe's baseball

team will meet one of its toughest

opponents of the year tomorrow

when the Pumas play host to

Purdue University of the Big Ten.

Greg Jancich and Paul Gatza allowed only two hits to the losers.

St. Joe got underway in a hurry, putting across 11 runs in the second inning. The frame started with Shortstop Ralph Tite walking and coming in to score on Centerfielder Bob Hamman's home run. Hamman's blast ignited the Pumas hitting attack and nine more runs came in to score before Marian could get the side out.

Back-to-back home runs by First Baseman Paul Grupenhoff and Leftfielder Tom Deem touched off another Puma hitting spree in the third inning, with St. Joe finally scoring nine times before the side was retired.

The Puma hitting attack kept right on going, putting across three more runs in the fourth; three in the fifth, including a home run by Rightfielder Roger La-Pointe, and finally two in the sixth to bring the final tally to 28.

Greg Jancich, who struckout 12, was credited with the victory. Dick Dwinell, Paul Gatza, and Joe Horney combined their talents to pitch a no-hitter in the second

game while their teammates blasted Marian pitching for 17 hits and 26 runs.

St. Joe got 11 runs in the first inning and 10 more in the second. After being held scoreless in the third and fourth, they came back with two in the fifth on Tom Deem's second home run of the day, and three in the sixth to wind up scoring festivities for the day.

Dick Dwinell was the winning

pitcher while Kyle was charged with the loss.

New Baseball Schedule Released by Fr. Smolar

Fr. Joseph Smolar, athletic director of St. Joseph's College, announced recently the following changes in St. Joe's 1956 Baseball Schedule. The game scheduled for April 10 against DePauw at Greencastle will be played as part of a double-header on May 22 at Collegeville. The game originally scheduled for May 20 against Lewis at Joliet has been moved up to April 17. A double-header against Dayton on April 21 has also been added.

The corrected schedule for the remainder of the year is:

| | 13—Purdue | |

WHO? Some clues: "Chink"—"Max"—"Cow"—"Dearie"—"Dick"—"Moon."

WHEN? Some clues: Days when calories were not counted, nor vitamins tallied, but soup was ladled and town-days measured. Days when red-blooded men lived on, liked, loathed and loved "shavins," bunns, apple-butter, fried potatoes, "charley-come-back" and "belly-wash." Days of bronze, brawn, brains and brotherly love. Days when fretful coaches and gyrating cheer-leaders were not needed when the "Reps" went out to win games for a cherished Alma Mater. Days when many were intellectual giants, a very small few of us being dumb. Days of forty years ago. Old age provokes memories. Memories disclose old age. Nevertheless we often love to revel in the happy scenes of our adolescence, and dream dreams of those stalwarts who graced, manned and embellished the campus of an Alma Mater forty years ago.

Editor's Note: All of the above was anonymously submitted to our office. Some semblance of veracity, or some meagre approach to the truth in some words and phrases contained therein is merely incidental and purely accidental. (Not only the reminiscences, but also this "Editor's Note" was drafted and submitted by our anonymous contributor.)

Frs. Hehn, Lutkemeier To Celebrate Jubilee On Campus May 10

Two priests of the SJC faculty will be celebrating the Silver Jubilee of their ordinations on May 10, at Collegeville. Fr. Francis Hehn and Fr. Gerard Lutkemeier were ordained priests on May 14, 1931.

The Provincial, Fr. Seraphin Oberhauser, will preach the sermon at a Solemn Mass at 10:30 a. m., following which the two jubilarians will be honored guests at a festive dinner.

Fr. Lutkemeier, a native of Frankfort, Ky., entered the Precious Blood community in 1919. Except for short periods serving in assistantships in Cleveland, Cincinnati, Perrysville, Pa., and Whiting, Ind., he has been associated with the St. Joseph's library since his ordination. In 1946 Fr. Lutkemeier was awarded the B.S. degree in Library Science from Catholic University of America.

Fr. Hehn is a native of Cleveland and has also been a member of the Precious Blood community since 1919. Following ordination he studied at Catholic University of America, where he received the M.A. degree in 1932. He is a Certified Public Accountant and since 1933 has taught Economics and Accounting at St. Joseph's. From 1944 to 1948 he served as vice-president of the College. Since June of 1953, he has been treasurer of the American Province of the Society of the Precious Blood.

Fr. James P. Conroy To Head New Bureau

Bishop Leo A. Pursley, '21, has established for the first time in the Diocese of Fort Wayne a Bureau of Information. Fr. James P. Conroy, '32, has been appointed diocesan director.

The Bureau of Information is in effect a public relations agency for the Church, both locally and on a national level. It has three main objectives:

1) To ascertain when to seek expression of the Catholic viewpoint before the community;

2) To prepare statements of this viewpoint which are both accurate and apropos; and

3) To be able to get these statements consistently before the community.

College Given Private Library of Prof. Serviss; Geology Collection One of Finest in Midwest

St. Joseph's played host to the Serviss family on April 8. The occasion for the dinner party was the completion of the cataloging and classification of an extensive private library of scientific works, gift to the College from the estate of the late Professor Fred L. Serviss, who at his death was head of the Geology Department

of Purdue University.

The collection was considered one of the finest private libraries of scientific works in the Midwest. Approximately 1500 volumes cover the fields of geology and engineering, and an additional 1000 volumes are strong in American history and the humanities. The Serviss collection served as the

departmental library of the Geology Department at Purdue.

Prof. Serviss had an intimate knowledge of St. Joseph's through his friend, Fr. Carl Nieset, associate professor of Geology at St. Joseph's, and also through his two sons, Daniel and John Serviss, both members of the class of '47.

DISCUSSING THE SERVISS GIFT to St. Joseph's College, a private library of some 2500 volumes, are two alumni sons of the donor, Dan Serviss, '47, (seated, right) of West Lafayette, Ind., and John Serviss, '47, (standing, back of Dan), also of West Lafayette. Fr. Carl Nieset, '28, whose Geology department will benefit most by the book collection, explains the value of one of the volumes. Fr. Raphael H. Gross, president (left), and Fr. Charles Banet, librarian, with other members of the Serviss family, complete the group. In the background may be seen a part of the science collection of books.

Stricter Entrance Requirements Announced by SJC Administration

Several important changes in the entrance requirements of St. Joseph's College have been announced by Fr. Edward Maziarz,

Students until this year could be admitted either by high school certificate or by examination. Under the new requirements, students will be admitted through an examination only by exception; they will be expected instead to qualify on the basis of their high

school records.

The requirement of high school certificate and credits has remained unchanged. But instead of merely ranking in the upper two-thirds of one's class, as had been previously required, incoming students must meet two of following three requirements:

- 1) An average of C or 80, or an equivalent in total high school work.
- 2) A ranking in the upper half of the high school graduation class.
- 3) An I. Q. of 108 or equiva-

By way of exception, students who fail to meet all of the above requirements and yet for other reasons give promise of success in college may be permitted to take an entrance examination or be admitted upon the exceptional recommendation of the high school principal or counselor.

The changes, according to Fr. Mazíarz, have been made to insure the scholastically able an opportunity for a college education despite the increasing number of applicants.

Columbian Players Win Drama Honors

The Columbian Players, St. Joseph's dramatic club, received the second place award in the fourth annual One-Act Play Festival held at Marían College, Indíanapolis, on March 17 and 18. Seven drama organizations participated.

The award was given for the Columbian Players' presentation of "The Valiant," directed by

Ralph Cappuccilli.

Two of the St. Joe participants received individual awards. Bernard Balas, a junior from Gary, and Bill Schuler, a freshman from Cary, Ill., were named the second and third best male actors.

St. Mary's of Notre Dame received the best production award for their presentation of "The Boy With a Cart."

Other plays in the two-day festival were presented by Marian

Music Festival to Be Held at Collegeville, **Featuring Four Clubs**

St. Joseph's Glee Club will serve as host to the first Indiana Catholic College Festival, a special program of music to be initiated here April 21.

Other colleges participating in the festival by sending their glee clubs to St. Joseph's will include: St. Francis College, Ft. Wayne; Marian College, Indianapolis; and St. Mary's College, Notre Dame.

The festival will officially begin at 11 a. m. with a Missa Cantata to be sung by the combined college glee clubs. At 2:30 p. m. rehearsals and staging practice will be held, to be followed by the official reception in Raleigh Hall from 4:00 to 5:30 p. m. Climaxing the day's festivities will be the Choral Concert open to the public at 8:15 p. m.

Each Glee Club will present several major selections in addition to one novelty number. The last two selections of each half of the program will be sung by the combined choruses of 160 voices-the largest chorus ever to appear on St. Joseph's stage.

The ICCF is planned as an annual event with the selection of the host on a rotating basis. Fr. Lawrence Heiman, director of St. Joseph's Glee Club, introduced the event after planning and consultation with the other directors. They include Mr. John Yonkman of St. Francis, Sister Mary Vitalis, O.S.F. of Marian College, and Miss Martha B. Williams of St. Mary's College.

Songs selected by the St. Joseph's Glee Club for this event are based on an "around the world" theme. They will include: Russian—"Hospodi Pomilui," Latin
—"Magnificat," and Irish— "The Donovans."

Junior from Chicago New Editor of 'Phase'

John J. White, a junior from Chicago, is now serving as the 1956 editor of Phase, the St. Joseph's College yearbook. The appointment was announced by Fr. James Hinton, moderator of the publication.

White succeeds Charles Rohan as editor of the current edition. Rohan, a senior, left St. Joseph's last month.

A member of last year's Phase staff, White had also been one of the feature editors of Stuff, the College newspaper, until this semester. He is also serving as co-chairman of publicity for this year's Junior Prom.

We Hear . . .

(Continued from Page Two)

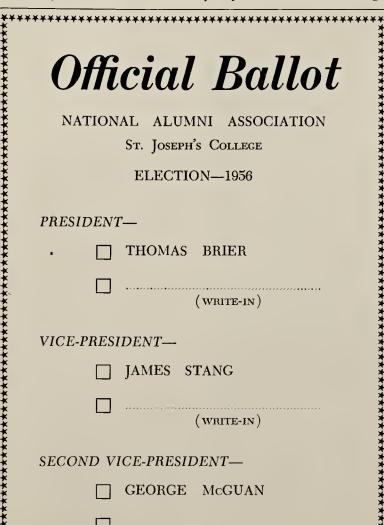

is in somewhat of a furor.

Ed Sickle ('55) came over to see us yesterday. He has a post with a Marine Air Wing down here as adjutant, and is in his glory. We are going to try to work together on our law through an extension course which he has taken from LaSalle University in Chicago. No degree, but it should serve to make our service life a little more interesting and profitable.

John Donnelly, Jim Bruha, Pete Fenlon and Ted Finan (all '55) are all either here now or expected shortly so as to lend somewhat of a Puma atmosphere to the Camp Le-Jeune surroundings. All are loyal alumni, believe me.

I have been assigned to an artillery battery here and have been fortunate enough to find good openings. I have been made executive officer and supply officer for the battery, two good spots not usually open to green Second Lieutenants. If I can just hold my own in these, my tour of duty will be most enjoyable. Service life is not for me, but it is enabling us to put away quite a bit of money, as well as permitting me an interim period in which to mature and get my feet on the ground. My close work with the men is also giving me tremendous experience. It has truly been amazing the thoughts and the problems which these boys have, and to my surprise I am the one to whom they look for solutions and guidance. I guess being a lieutenant closely approximates the role of teacher, which I have always liked
